Mrs. Myrtle Hirschi Ledford

As we initiate the activities of our tenth year, we acknowledge the continued friendship of MRS. HENRY P. LEDFORD.

Aiding the school with gifts and scholarship funds, Mrs. Ledford maintains a high interest in the accomplishments of all Hirschi students.

Principal Joe K. Reed

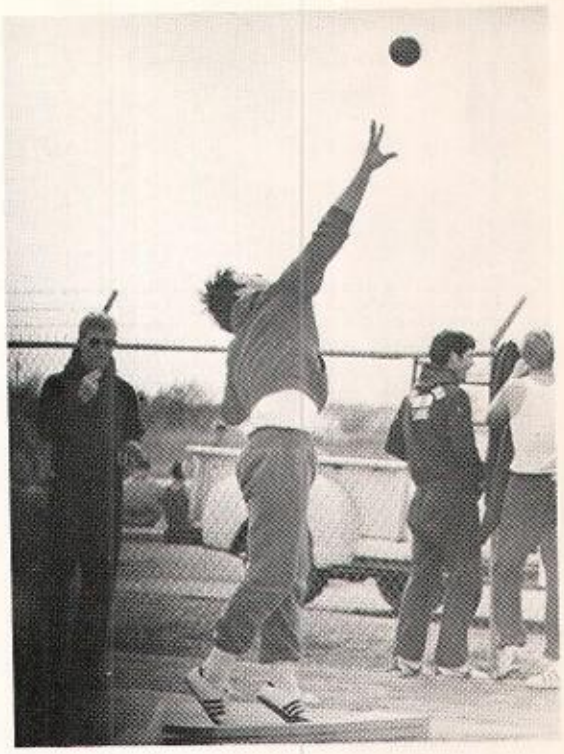
Dedication

The tenth year of Hirschi High School is marked by the introduction of a new principal, JOE K. REED. A graduate of Midwestern University, Mr. Reed taught for a number of years before becoming an administrator.

We are indeed proud to welcome Mr. Reed to the traditions of Huskyland.

The Yearbook Staff takes great pleasure in dedicating the tenth volume of THE HUSKY to Mr. Reed as he embarks upon this new facet of his career.

We've Only Just Begun . . .

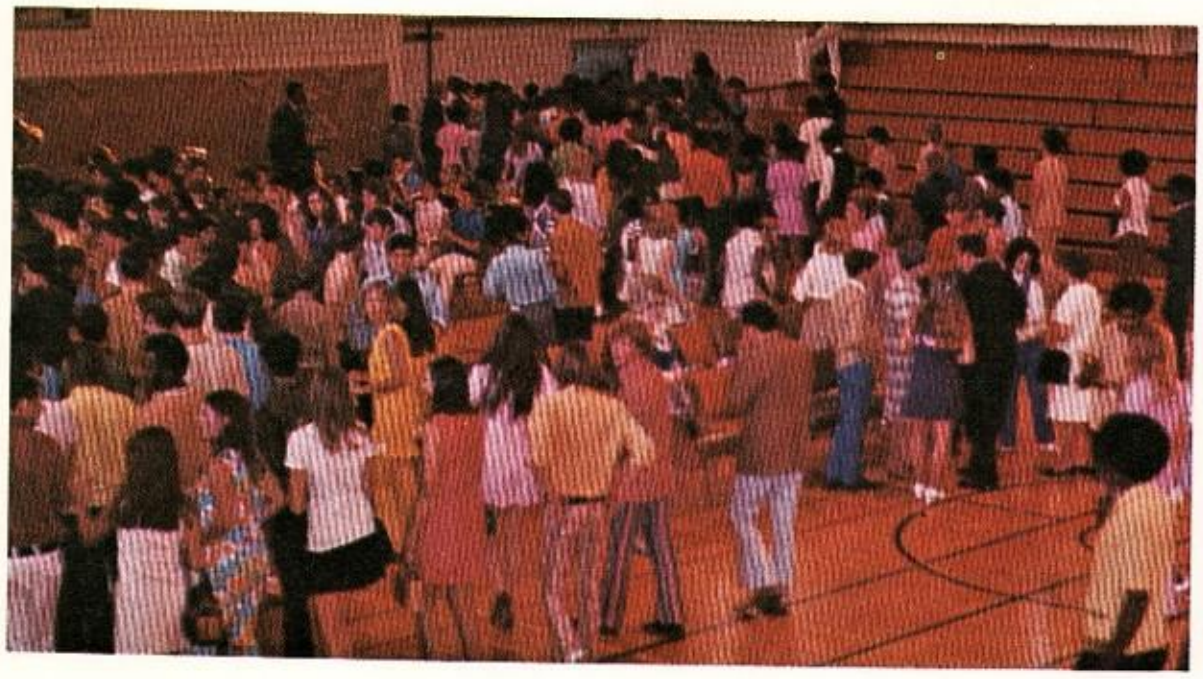


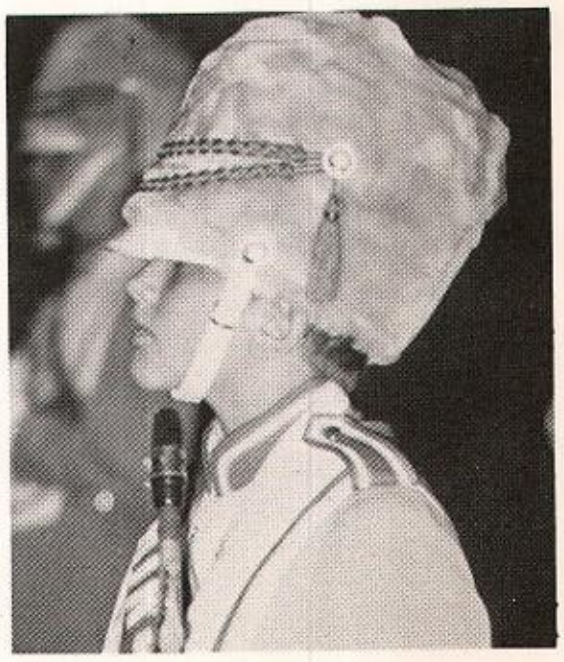
Since 1962, our school has consistently accomplished great things in the areas of scholarship and sportsmanship. Claiming the Husky as the mascot, students and faculty determined to make Huskyland the Home of the Champions. Indeed, our heritage has been one of great achievement. Football, basketball, baseball, track, tennis, golf, and swim team champions have reigned abundantly at Hirschi. UIL scholastic competition has put eight sweepstakes trophies in the trophy case. Individual accomplishment has been tremendous.

The first decade at Hirschi High School has been marked by the Spirit of the Twelfth Man. It is indeed a proud cry of "We are the Huskies" that pace us in every area of competition and endeavor.

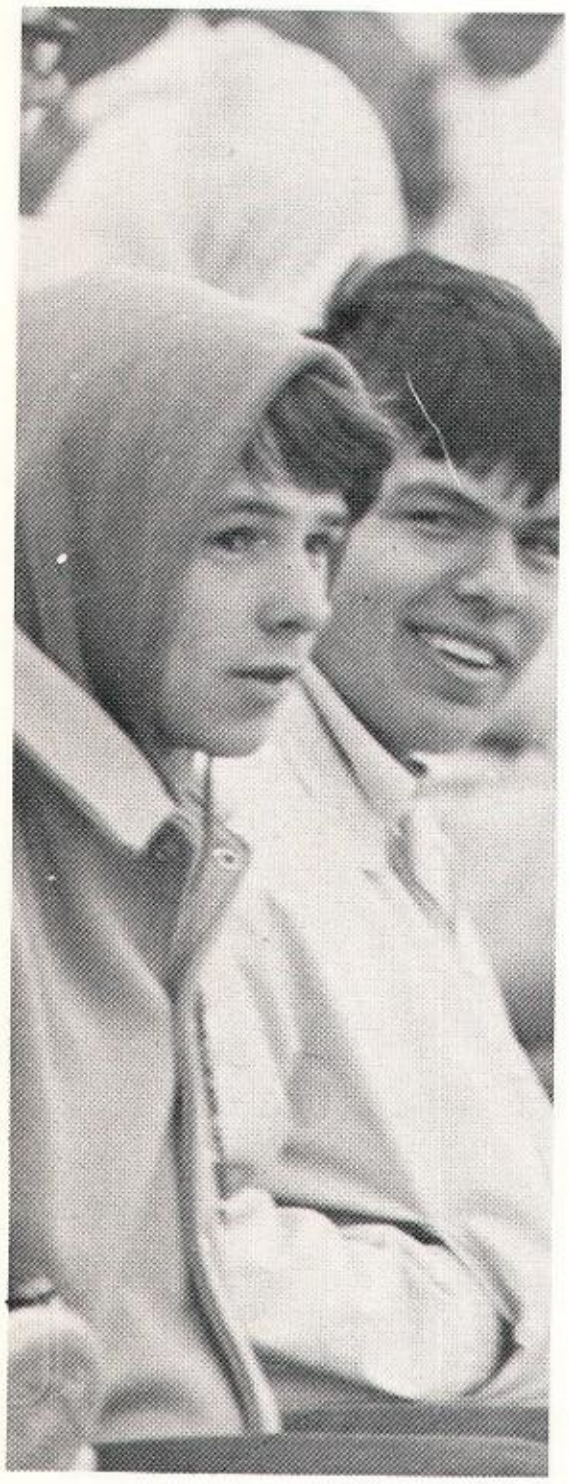
To live up to the traditions of Hirschi is no easy matter. However, the yearbook staff of 1972 accepts the challenge on behalf of all the students and faculty who are members of the Husky Team. In the words of a popular song and amid the echoes of our past, we proudly proclaim to one and all . . . WE'VE ONLY JUST BEGUN!

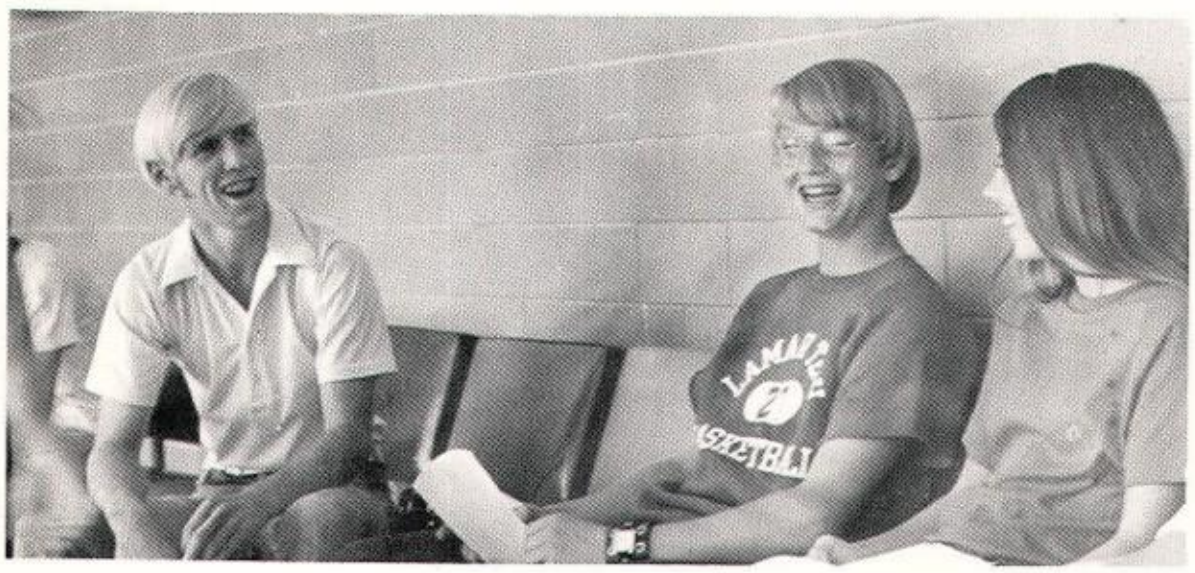
"Before the rising sun we fly
So many roads to choose . . ."



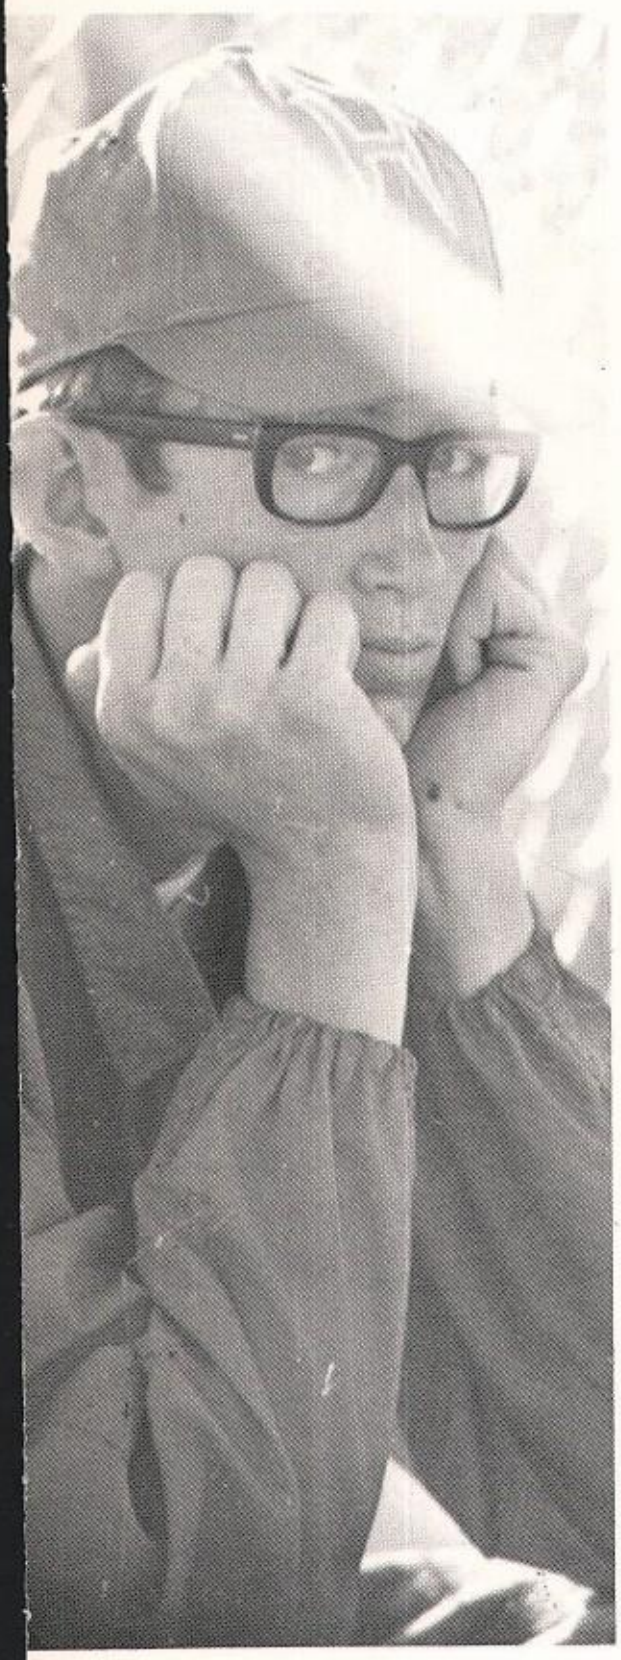


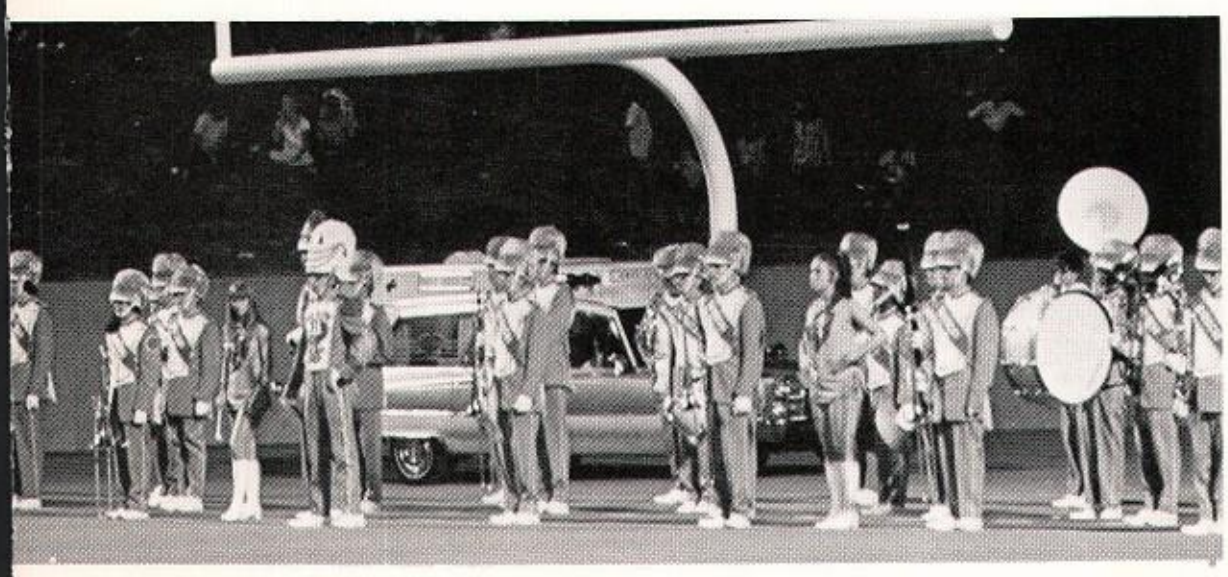
Sharing horizons that are new to us
Working together day to day . . .





And when the evening comes, we smile
So much of life ahead
We'll find a place where there's
room to grow . . .





We've only
just begun!

STUDENT LIFE

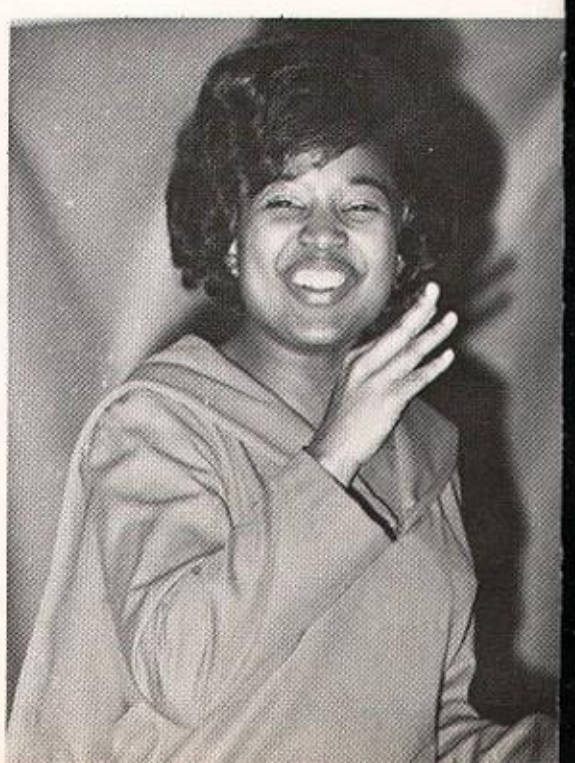
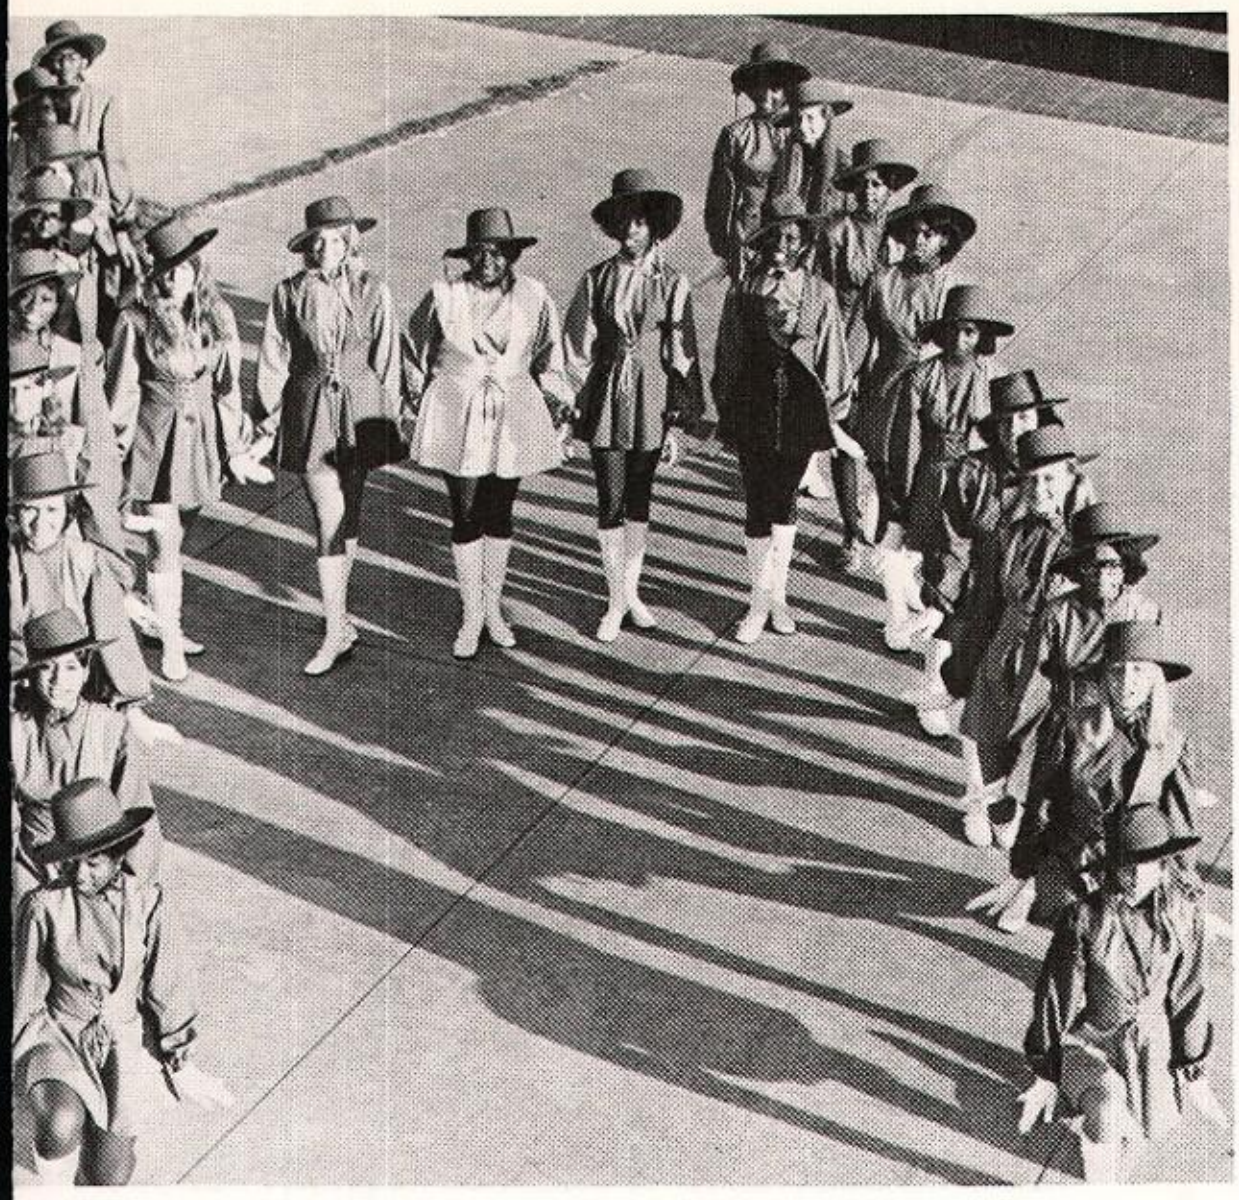
'72 Cheerleaders

Six ways to say spirit — LINDA, LUCY, TERESA, VALEREA, VICKY, and WANDA. These six girls devoted countless hours achieving a perfection of which we were proud. Each is a symbol of the spirit characteristic of our school and the admiration we feel for our athletes.





Hirschi HiLites

The recently formed Girl's Drill Team, sponsored by Miss Exah Mason, consists of thirty girls whose job is to learn and perform precision routines at the football games at halftime.

THE HILITES, as they are better known, are a group of carefully chosen girls who add a special touch of Hirschi Spirit wherever they go. This year the halftime performances were ample evidence of hard work and hours of practice, as fans everywhere watched and enjoyed.

The HIRSCHI HUSKIES began the season with one of the most difficult schedules ever. Among opponents the Huskies faced were LAWTON, the number one team in Oklahoma; WICHITA FALLS HIGH SCHOOL, number one in Class AAAA; RIDER, District contender in AAAA; BROWNWOOD, defending AAA State Champion; and IOWA PARK, Class AA Champion.

From the first game against the Rider Raiders, the Huskies showed spectators that the "peach-fuzz" gang had REAL whiskers as they tied the score 6-6. The Huskies outplayed Brownwood in all statistics but lost by a score of 7-6. The "mini-brigade" of twenty-four players consistently launched full-scale attacks against opposing teams causing the mighty Hawks of Iowa Park and the Burk Bulldogs to fall by the wayside.

Though the team was dotted with only four seniors, two of these returning starters Doug Hines and Edwin Quintero, the band of fiery young newcomers ended the season with a 5-4-1 record.
